

Expensify

One app, all free.

Track expenses, pay bills, generate invoices, collect payments, plan trips, and manage company credit cards. All of your preaccounting, in one expense management app.

Scan the QR code
to get started!

Scan receipts

Track your receipts on the go with SmartScan OCR.

Submit expenses

Create, code, and submit your expenses with one click.

Code automatically

Code expenses automatically with smart categorization.

Approve reports

Review and approve reports from the mobile app instantly.

Reimburse employees

Keep employees happy with next-day reimbursement.

Oversee and distribute company cards instantly

Assign, manage, and reconcile physical and virtual corporate cards in one place.

Sync financial data

Export financial data to your accounting, HR, travel, and payroll systems.

Expensify

The world's smartest corporate card, built into the workflow you trust.

The Expensify Card makes Expensify a one-stop shop for all of your expense management needs, from swipe to settlement – at no additional cost.

Get the Expensify Card for free in just a few minutes at card.expensify.com

Get up to 4% cash back

Spend \$25k/month or \$250k/month across all Expensify Cards company-wide in the first three months for 2% and 4% cash back respectively on all purchases. After that, get 1% or 2% monthly cash back on all purchases forever, respectively.

Save 50% on Expensify

Get the best business credit card for free – no fees, penalties, or commitments – and use it for at least half of your organization's monthly expenses to save 50% on your monthly Expensify bill.

Settle up daily or monthly

Cardholders can only spend money that's already in the bank, and all approved expenses are continuously reconciled on the backend.

Ensure realtime compliance

All transactions appear instantly in Expensify, and cardholders get notified immediately if they need to scan a receipt or add expense details.

Unlock exclusive perks

Get exclusive discounts and credits from industry-leading partners, including AWS, Stripe, Highfive, Zendesk, Slack, and more.
