

Fixed Asset Management Solution

Automated accounting

Coming Fall 2024

A modern fixed asset solution for accountants

Has your fixed asset solution reached the end of its useful life?

Introducing Netgain's advanced fixed asset management solution designed to enable firms and their clients to streamline and optimize the entire fixed asset lifecycle.

From creation to tax compliance, Netgain's fixed asset management solution automates and simplifies every aspect of fixed asset management.

Dynamic reporting

Gain access to a comprehensive view of your clients' fixed asset portfolios at any point in time.

Enhanced functionality

Maximize efficiency with CIP build-ups, advanced rollforward and waterfall reporting, and alternative depreciation schedules.

System integrations

Enable your clients to effortlessly send journal entries to their ERP, while also integrating with your firm's tax reporting system.
